The University Club

A space for Laurentian University alumni.

The Laurentian University Club offers cozy confines and great views of the Sudbury campus for the informal gathering of faculty, graduate students, staff and alumni. The space is located on the 2nd floor of the Fraser Building where large windows create a light-filled space and provide views over Ramsey Lake and the natural setting of the University. The club was created to reinforce the intellectual and collegial life of the University. The Laurentian University Alumni Association (LUAA) donated \$562,000 for the creation of this space, with revenue generated from alumni affinity programming.

HONORARY DEGREES

Each year, Laurentian University solicits recommendations from the University community for potential candidates for an honorary degree.

The awarding of honorary degrees is an important feature of Laurentian's convocation and is meant to honour both the individual and the University as well as inspire our graduates, their families and guests.

The University's honorary degree recipients are selected from individuals who:

- Have made outstanding contributions to intellectual advancements in key disciplines offered at Laurentian;
- Reflect the University's values: students first, excellence, academic freedom, respect, alumni, diversity, truth, integrity, inclusiveness;
- Have been or have the potential to be significant benefactors of the University either creatively, materially or financially;
- Have made outstanding contributions to Northeastern Ontario; or
- Have the ability to enhance the reputation of Laurentian University through their outstanding contributions in their fields at the national or international levels.

Solicited in January of every year, nominations are accepted when accompanied by a short biography and rationale for why this person should be considered. Letters of reference are not required at this time. Candidates must not be aware of the nomination.

Giving Back

Each year, through the Annual Appeal, a group of current students call graduates of Laurentian University. During the first two months of each semester, you may receive a call from one of these student fundraisers. This gives us a chance to reconnect with you and other alumni in a number of ways. You can update your contact information, give us feedback about your Laurentian experience, learn about the great new things happening around campus, and find out about alumni events happening in your area! We also give you the opportunity to support your favourite aspect of Laurentian by making a donation to the designation of your choice! The Annual Appeal is a great way to keep involved with Laurentian life and an easy way to help support current students. Our student fundraisers simply can't wait to connect with you!

To learn more, contact Laurentian University's Advancement office at 705-675-4818 or at universityadvancement@laurentian.ca.

Stay CONNECTED
